

**Service Commission Meeting
October 14, 2014**

The Service Commission met at 7:00 PM on October 14, 2014. In attendance were Martha Cebulski, Jarrod Cebulski, Mary Ellen Clish, Derald Fitch, and Michelle Miwinski. The primary topics of discussion were the recent and upcoming events and activities of the different ministries. The following was discussed:

Mary Ellen indicated that they are looking for a helper for the St. Joseph's Table event. She will meet with Fr. Jeff in the near future to brief him on the details of St. Joseph's Table.

Michelle talked about CCW and mentioned a CTK and Etz Chaim get-together, the wine party, Undie Sunday, the Make-up Holiday Sparkle, Women at Risk (WAR), the Baby Shower for Baby Jesus., and the St. Nicholas Fair.

Derald talked about an appreciation dinner for St. Vincent DePaul.

The Knights had a very successful Tootsie Roll Drive. The Spaghetti Dinner will be in November and they have a Blood Drive coming up, as well.

We revisited our goals including:

- Finding ways to increase participation in our ministries (such as having an open house)
- Work on written announcements/outreach that ties our commission together
- Finding ways for each of our ministries to help each other
- Having a service commission month, where there would be different announcements about our commission in the bulletin every week

These will be further discussed at future meetings where we have more commission members in attendance.
