Old Business:

Review of Holy Week and Easter Season—Easter Vigil and Easter went really well. All of Triduum went so much smoother. Altar of repose located in front half of PLC provided much more intimate and prayerful atmosphere. New fire located near Main Street was awesome.

New Business:

Father Jeff's Report—Thanks for Holy Week and Sacraments of Confirmation and First Eucharist which were all celebrated at Mass during the past two weeks. Ministry gathering at Ascension was well attended, but nearly as many people as last year. Need longer presentation for individual ministries. Cremated ashes will now be placed in ossuary for funeral Mass. This was obtained from monks at St. Meinrad.

Parish Council will be reorganizing. Frank Giangregio from Marmion Academy will be coming to help with this reorganization and training in the discernment process. This will begin next fall.

Wednesday afternoon and evening CTK is hosting a Renew Diocesan meeting. This will be presented in English and in Spanish. Both the PLC and the church will be used.

Altar Server Training—May 11 from 5-6p.m. Father Jeff and Vince are in charge of this. Sherry is providing names of those from Faith Formation who would like to be servers.

Future Liturgical Minister Training Sessions--this will happen in the fall.

Music—Ordinary Time Summer plan will include a drop-in choir for the 10:00Mass. The Ensemble and Youth Choir will sing on a regular basis all summer rotating at the 10am Mass as well. We will begin Summer Ordinary Time with the 10th Sunday in Ordinary Time.
